

ENTREPRENEURSHIP TRAINING FOR IMMIGRANTS ONLINE

Schedule: Entrepreneur coaching on weekdays from 9:00 to 15:15.

Duration: The 40-day entrepreneur training includes five days of getting to know the field for which you are planning your own business.

Method of implementation: Group coaching is implemented in Zoom and there are also tasks that guide you to start your own company. Assignments are sent by email. During the entrepreneur coaching, you will receive individual guidance on making a business plan or a career plan.

Tools: For online coaching you need a working internet connection, a mobile device (for example a tablet or smartphone) or a computer.

Content and information of the training: This training is intended for immigrant clients of Ostrobothnia's TE office who are planning to start a business. You will get information about the areas related to preparing a business plan, such as the business idea, business forms, taxation, marketing and sales work, financial planning, working as an entrepreneur and what kind of entrepreneurial qualities you have. You will get information about various organizations that support entrepreneurs and, for example, about applying for start-up money. You can think about the guidelines and goals of your life with us. You will also learn Finnish for working life. At the end of the training, you have drawn up a business plan with the support of the coach.

Card trainings: You have the opportunity to complete a maximum of two card trainings that promote your further plan: hygiene pass, alcohol serving pass, emergency first aid training, first aid course (EA1), fire work card, occupational safety card and forklift card. The number of card training is one if you want to complete an electrical safety card.

Registration: via the event calendar on the website of the Ostrobothnia TE office at <http://toimistot.te-palvelut.fi/pohjanmaa/tapahtumat>
